

WHAT IS EVANGELIUM21 ?

EVANGELIUM21 brings together Christians from different churches and denominations, whose **faith** is solidly grounded in Jesus Christ. Aligning ourselves with the truths rediscovered by the Reformers — **grace alone, faith alone, Scripture alone, Christ alone, and for the glory of God alone** — we seek to contribute to the revitalising and strengthening of churches.

■ *Grace*
■ *Faith*
■ *Scripture* **ALONE**
■ *Christ*
■ *for the Glory of God*

For it is the **BIBLICAL GOSPEL ALONE** that fills Christians with genuine hope and overwhelming joy in God and causes them to exude such qualities.

As a **point of contact** for like-minded Christians and anyone interested, we aim to connect people and recommend materials. By offering such resources and putting on events, we desire to emphasise the centrality of the gospel for the whole of life, not just for congregational life.

For this we humbly strive in order that the **Church of Christ** in the 21st century might experience anew what it means that the “gospel came to [us]... not only in word, but also in power and in the Holy Spirit and with full conviction” (1 Thess 1:5).
